PEOPLE DEMAND INDEPENDENT POSTOFFICE IN GLENDALE

OVER \$700,000 IN LOCAL BUILDING SO FAR IN 1921

MONTH OF MARCH TO DATE HAS TOTAL OF \$336,162 AND MORE IN SIGHT

More than \$700,000 in building has been done so far this year in Glendale. The month of March shows a total at noon today of \$336,162 or more than the months of January and February combined. The exact total for building operations here in the three months is \$707,623.

The building inspector's office is kept so busy that they haven't had a breathing spell for months. To those accustomed with the work they state that the detail entailed by so many house inspection jobs makes it the speediest month on record here.

List of Permits
Building permits issued at the city hall for the last two days were as follows:

Many Residences in List	
Walter Seal, 3-family, 12-room flat, 1264 South Walnut street	\$7600
Hall, Thompson & Hall, 5 rooms, 501 Alexander	4000
Wm. Windham, 7 rooms and garage, 1310 North Pacific	3500
James H. Garnsey, 5 rooms, 427 South Columbus	3000
Ed S. Franklin, 5 rooms, 333 North Adams street	3000
Ernest A. Jacobsen, 6 rooms, 220 South Central	3000
A. F. Archer, 5 rooms, 1330 South San Fernando Road	2924
H. A. Michel, 4 rooms, 526 West Milford street	2800
John MacGregor, 4 rooms and garage, 708 West Doran	2500
Ralph R. Franklin, 4 rooms, 1405 East California street	1500
Addition to permit No. 2396	1200
James Burgess, 3 rooms, 1252 Walnut street	1000
Ray A. J. Phillips, remodel residence, 365 Ivy street	1000
Mrs. W. J. Austin, garage, 612 West Elk avenue	100

NEW CONTRACT FOR CITY COLLECTOR OF GARBAGE

GLENDALE GROWING SO FAST THAT PRESENT EQUIPMENT IS NOT SUFFICIENT

The city of Glendale is growing so fast that L. C. Orndorff, who has the contract for collecting garbage for the city, receiving \$200 a month, wants to have the contract canceled and a new one made out.

This developed at the meeting of the Board of City Trustees last night when T. W. Watson, city manager, submitted a report on the subject, as follows:

"L. C. Orndorff, who is collecting garbage for the city of Glendale under contract for which he receives \$200 a month, has addressed a letter to us of this date stating that owing to the large number of new residences that have been established in the city since the time this contract was entered into that it is impossible for him to cover the ground with the equipment he has. He is now operating one truck and from observation we realize that another truck should be put on at once to adequately take care of this service. Mr. Orndorff is willing to procure the necessary equipment to render the service desired, but feels that the \$200 a month that he is receiving would not adequately compensate him therefor.

Seeking New Contract
"Mr. Orndorff suggests that the present contract be canceled and he be allowed to enter a bid on a tonnage basis or on a basis of service rendered or for the purchase of the garbage which would be gathered by the city. Mr. Orndorff's contract will run until February 13, 1922, and he has executed a bond with the city in the sum of \$1000 for the faithful performance of the same. We believe, however, that the best interest of the city is to have a new contract made out at once."

LEGION MEETS TONIGHT
Legionnaires, tennishun. Tonight you meet for an initiation and program. Tomorrow night you dance. Remember it.

Fred Deal Forgets To Wind Clock At Home And--Read On

Everyone knows that the telephone companies throughout the country are refusing to tell the time of day because of the thousands of calls it adds to the switchboard operators' duties.

One clever Glendale woman decided that she would get around this rule by calling Glendale 600, the office of Fred Deal, manager of the Pacific Telephone & Telegraph Company's exchange here.

"Will you please tell me the time?" she pleasantly inquired. She then overheard Miss Anna M. Chase of the office force ask Mr. Deal if they were permitted to tell time.

"Nope," he said, and the message was repeated by Miss Chase.

"Well, you tell Fred Deal to come home and wind his clock then," was the retort. It was Mrs. Deal calling.

Tale Of Rats

This is a story of a little dancing girl and the white rats. "White Rats" are symbolic of the actor's profession.

Little Marjorie Hart, who is one of Pearl Keller's pupils, decided that she must have a pair. So she got them and used to tell them eat out of her hand. They stayed about the garage and would watch her dance around on her toes.

One morning, not so many days ago, she found twenty-four white rats where two had been before. And shortly after there were about fifty. Soon the little Easter chickens began to disappear and Papa L. A. Hart said:

"This is too much of a good thing."

He got out the rifle and axe and went after the rats. Now Marjorie is looking for a Persian cat and a canary bird. "Which would be a great combination for about two seconds in the same cage," says her father.

Dolls Given Away

"Geeka." "Look, look! It's a dolly." Sure enough, and there are 600 waiting the little girls of Glendale Sunday and Monday at the Glendale Theatre.

Manager W. A. Howe has secured the patterns for the Geeka rag dollies, the same as Meriem's in "The Son of Tarzan," a serial which he is showing.

It is one of the most novel publicity stunts ever staged in Glendale.

Yes, It Blew

City Treasurer J. W. Stauffacher tried to talk to Los Angeles this morning over the phone.

"My words were blown off the wires by the wind," he said. And there was quite a "Santanny" raising the dust, lifting hats and tipping over signboards during the early part of the day.

It is turning warmer, however, and spring seems to be pretty well established.

Child Badly Hurt, Then Gets Measles

Little Maurine Burke, daughter of Mr. and Mrs. C. M. Burke of 336 West Windsor Road, who had just recovered from an accident which nearly proved fatal, is now ill at her home with the measles. Little Maurine was playing in her front yard about a week ago with some older children.

Although Mrs. Burke had cautioned them, they were swinging little Maurine around until she became so dizzy she could hardly see. When she went into the screen porch of her home she ran into the sharp corner of the table, which caused concussion of the brain.

A physician was called immediately. He stated that if she had been struck just a fraction of an inch lower his services would have been to no avail. She was just able to be up and around when she contracted the measles.

J. F. Stanford Will Start More Houses

J. F. Stanford, the builder of homes, now has four residences under way and will start three more next week. On Thursday he signed a contract to build a four-room house for Charles M. Briggs on Alexander street and he has just commenced work on another at 125 North Adams street for A. W. Van Loon, which will cost \$5,000.

NINE DAY TRIP TO USED AUTO MARKET CENTRAL PART OF STATE ENJOYED HAS SUPPORT OF LOCAL DEALERS

MR. AND MRS. JOHN H. BRALY AND HOUSE GUEST HOME FROM THEIR OUTING

Mr. and Mrs. John Hyde Braly of 505 North Brand boulevard, and Mrs. Braly's sister, Mrs. Wells, who is her guest for the winter, returned yesterday from a nine-day trip.

The party left Glendale last Wednesday, via automobile, going first to Santa Barbara, where they visited Mrs. Braly's son-in-law and daughter, Mr. and Mrs. Charles W. Kirk. Thursday morning they started for San Jose, Santa Clara county.

Mrs. Braly resided in that vicinity for over thirty years. Mr. and Mrs. Braly entertained a number of relatives at a dinner party at the Vendome hotel, San Jose, while there.

The party also visited Saratoga, where the prune trees were so full of blossoms that they resembled a blanket of snow. They were the luncheon guests of friends in this city.

Yosemite Valley Is Visited

From Saratoga they went to Merced, where they left their automobile and journeyed by train and auto stage to the Yosemite. There had been a snow storm just before they arrived there and the trees were covered with snow, although there was not very much on the ground. The effect was very beautiful.

After spending several days at the Yosemite they returned to Merced and motored home by way of Fresno, Bakersfield and the Tejon Pass. Forty miles of the trip was through this pass, which has the most magnificent scenery. There were a great many campers stopping there.

Mr. and Mrs. Braly and Mrs. Wells arrived in Glendale yesterday from their trip, which they say was a most enjoyable one from start to finish.

Mrs. J. A. Sayers Is Dead; Burial Saturday

Mrs. J. A. Sayers, aged 62 years, passed away at 11 o'clock last night at the home of her daughter, Mrs. W. S. Gamble, 125 West Los Feliz Road, after an illness of several weeks. She was stricken while in the Malibu mountains, where her husband has a homestead. In order to get her where she could receive medical treatment it was necessary for her husband to take her on a wagon across the mountains, over almost impossible roads, to Cornell, where they were met by an automobile and taken to the home of her daughter in Glendale, where she was given the best of medical attention and care.

Mrs. Sayers is survived by her husband, J. A. Sayers, and daughter, Mrs. W. S. Gamble. Funeral services will be held at the parlors of the L. G. Seaverns Undertaking company Saturday afternoon at 2:30, with interment at Forest Lawn.

Mrs. A. A. MacIntyre Children's Hostess

Mrs. A. A. MacIntyre of 306 North Central avenue entertained with a children's party for her grand-daughter recently in celebration of the feast day of the archangel Gabrielle, for whom her grand-daughter, Gabrielle Boudaux, was named. It is the French custom to celebrate the feast day of the one for whom they were named instead of celebrating their own birthday.

It was a lavender and pink party. The little hostess was dressed in lavender and the guests in white. The favors were in lavender and pink and pink sweet peas were used for decorations. A large feast day cake, ice cream and other goodies were enjoyed by the little guests, among whom were Mary Elizabeth George, Beryl Campbell, Peggy Clark, Betty Clark, Blossom Moore, Jane Pendleton and Marjorie Ratliff.

West Glendale M. E. Church Social Given

The ladies of the West Glendale Methodist Episcopal church enjoyed an afternoon tea and social hour yesterday. The rooms were decorated with flowers appropriate to the Easter season. Dainty refreshments were served by Mrs. George Moore and Mrs. Harold Myers. A solo by Miss Helen Ford and recitation by little Mary Louise Moore were very much enjoyed. The remainder of the afternoon the ladies spent in sewing rugs.

ASSOCIATION PLANS TO PUT NEW IDEA INTO EFFECT; NAMES COMMITTEE

The Automobile Dealers' Association of Glendale met last night at the show room of the Packer & White Auto Company, Colorado and Brand boulevard, and transacted some very important business. The meeting was called to order by the president, Jesse E. Smith. All of the larger firms of automobile dealers in Glendale were represented at the meeting.

A committee consisting of W. A. Tanner, Harry White, R. C. Chambers, Jr., George Clayton and Max Green was named to formulate plans for the establishment of what will be known as the Associated Automobile Dealers' Used Car Market. It is the intention of the dealers to handle all used cars on the same basis, thereby giving customers satisfactory prices and proper service and treatment and protecting them from the sharpers of the second-hand markets.

It will be seen that the customer will receive the cars in proper condition. More profitable deals will be made for both parties and the dealers will have a good reputation established. The report of this committee will be given at some meeting in the near future.

Information Is Given

Frank L. Darling and Mr. Ather-ton, both of whom are automobile dealers in Long Beach, and who represent the Long Beach district of the Auto Trades Association of the State of California, were present, and gave information and examples of how this plan of handling used cars has been worked out in their territory, where it has been in effect for some time.

The resignation of Stafford Harlow of the Automobile Club, who is leaving Glendale this week to take up other work, was accepted. Ray Galvin was elected temporary secretary.

The Glendale Automobile Dealers' association has accepted the automobile dealers offer to co-operate in the general advertising campaign to be put on during the week of April 2-9 and have ordered several hundred posters to be displayed in the Glendale territory.

Miss Maurine Baker Entertains Friends

Miss Maurine Baker of 331 North Maryland avenue entertained last night with a progressive rook party that was one of the many charming parties being held during the Easter season. Sweet scented lilacs, daffodils and ferns were used to decorate the Easter motif of lavender and yellow being further carried out with tiny yellow chicks. The same attractive motif was carried out in the score cards and also in the refreshments consisting of brick ice-cream, lavender-tea cakes and bon bons and mints in yellow flower baskets fastened with fluffy lavender tulle.

Miss Baker is a teacher in Los Angeles and is now having her spring vacation. Most of the guests invited were Los Angeles friends.

Those present were: Misses Wilhelmina Gibbons, Ethel Worthington, Jane Bruce, Agnes Sparklin, Ruth Anson, Lela May Hill, Marion Clark, Payllis Baker, Messrs. Bruce Brown, Harold Gleason, George Lord, Walter Knappe, Joseph Mafer and Donald Jones.

Jesse Smith Heading Citizens' Committee

Jesse Smith invites all interested citizens to meet at his Ford Agency, corner of Kenwood and Broadway, to form a committee which will get out voters for the various municipal issues at next Tuesday's election. The meeting will be called at 7:15 o'clock.

Tomorrow night at 7:45 o'clock the people of South Glendale will hear the park, civic center and other issues, including a new charter, discussed at the Old Tropic City Hall above the branch library, Los Feliz Road and Brand boulevard.

Time Is Set For Start To Services

Members of Glendale Commandery Knights Templar and their wives and families will assemble at the Masonic Temple at 2 o'clock Sunday afternoon preparatory to attending the Easter services at Hollywood.

Today's World News In Brief

(Special Service to Glendale Evening News)

TWENTY-FOUR MINERS ARE KILLED IN EXPLOSION
CARLSBAD, March 25.—Twenty-four miners were killed late yesterday at Kukla, a Moravian mining town. Fire caused the explosion.

AT LEAST TWO ARE KILLED AS RESULT OF CYCLONE
NASHVILLE, Tenn., March 25.—Casualties in the Marshall county cyclone yesterday were still undetermined today. Reports reaching here indicated that two men had been killed outright, another fatally wounded and many others seriously injured.

SON OF FORMER AMBASSADOR TO RUSSIA IS ACCUSED
ST. LOUIS, March 25.—Talton T. Francis, son of David R. Francis, former ambassador to Russia, was under \$1000 bond today charged with transporting liquor. He was arrested yesterday when authorities followed a shipment of sixty quarts of Canadian Club whisky to his home here.

ADMINISTRATION NEARS DECISION ON RUSS POLICY
WASHINGTON, March 25.—The administration is rapidly approaching a decision on the government's policy toward Russia, it was learned officially today at the state department. An announcement is expected to be made soon, which probably will define how far this government intends to go toward the establishment of free trade relations with soviet Russia.

SUNDAY CLOSING LAW IS FAVORED BY COMMITTEE
SACRAMENTO, March 25.—The Bennett Sunday closing law was recommended out of the senate judiciary committee favorably last night. This is one of labor's big measures. It provides for universal Sunday closing and affects barber shops, delicatessens, stores and other of the smaller shops that now remain open. Its opponents claim that it was the first of the blue laws to appear on the coast.

MORE DEATHS AS RESULT OF FIGHTING IN GERMANY
HALLE, Germany, March 25.—Fighting at Eisleben between police and communists continued today. Twenty deaths were reported, raising the total for mid-Germany to forty. While police appeared to be gaining the upper hand, indications were that the communists are being reinforced. The officers were warned that a great attack is planned.

ADVISED TO CHINESE GOVERNMENT COMING TO U. S.
SHANGHAI, March 25.—Lennox Simpson, better known as Putnam Weale, adviser to the Chinese government, will leave here April 13 for the United States and Europe to confer with the American, British and French governments and the league of nations representatives, regarding the Chinese demand for the abolition of extra territorial rights in China. He also will advise the Chinese delegation in Geneva regarding matters relating to the Shantung controversy. Great interest has been manifested here in the conclusion of the British-Russian trade agreement and it was indicated that if China decides to follow England's example and open trade relations with Russia, Simpson will visit Moscow.

REFUSES TO COMMENT ON ACTION REGARDING DEBS
WASHINGTON, March 25.—Attorney General Daugherty today refused to intimate what he would recommend to President Harding with regard to a pardon for Eugene V. Debs, Socialist leader, now serving a ten-year term in Atlanta federal penitentiary. As cabinet members gathered for their meeting, it was reported the proposition of pardoning Debs would be fully discussed. Daugherty was expected to go over the matter with the other cabinet officers informally. The general impression among those close to Daugherty was that the pardon would be granted. Daugherty's conference with Debs at his office here yesterday was considered the final step in reviewing the case. It was understood that unless some new obstacle to the granting of the pardon materialized during Debs' conference with Daugherty, announcement that Debs will be freed may be expected in the near future.

JAPAN SAYS IT WILL TAKE WHAT ACTION NECESSARY

TOKIO, March 25.—"We will take action necessary to protect our fishery and other rights in Kamchatka if China does not meet our demands," Baron Uchida informed the budget committee of the house of peers today. Uchida said Japan had made five demands upon China but that no reply had been received. The committee was informed that the government had reached an agreement with the United States in regard to the Pacific cable. Japan will control the line to Shanghai and the United States the branch to Guam, it was stated. Uchida said no further reports had been received in regard to the Yap discussion. Uchida indicated that the government is not considering a trade agreement with the bolsheviks. "It is unnecessary to follow Great Britain's example," he said.

UNITED STATES ASKS BRITISH GOVERNMENT TO ACT

WASHINGTON, March 25.—The United States has asked the British government to demand of Germany the extradition of Grover Cleveland Bergdoll, wealthy Philadelphia draft deserter who is enjoying asylum in the enemy country, it was learned today. This development today followed closely the exclusive announcement by the United Press of the American demand for the surrender of Bergdoll by Germany and the release from a German prison of Sergeant Frank Zimmer and Carl Neuf, who attempted to capture the draft deserter. The request for Great Britain to demand Bergdoll's extradition was made by the state department to the British embassy here. This was some time ago but negotiations for British co-operation are understood to be still going on. Bergdoll's extradition could be demanded by Great Britain on the ground that the draft evader got to Germany on a forged passport obtained in Canada. The British embassy investigated the case and replied that the British government could not demand the deserter's extradition without evidence that he obtained such a forged passport.

PETITIONS WILL BE LIBERALLY SIGNED BY CITIZENS

QUESTION IS DISCUSSED AT CHAMBER OF COMMERCE FORUM DINNER

An independent postoffice for Glendale!

That was the keynote of the Chamber of Commerce forum dinner at the Glendale Union High school last night.

Speaker after speaker told of the service—or rather the lack of it—which the Los Angeles postoffice gives in Glendale.

Speaker after speaker said that they believed mail to Glendale would always be delayed as long as this city was a branch of Los Angeles.

Stories were told of waiting ten minutes in line to buy a dollar's worth of postage stamps, of receiving mail from Los Angeles or La Crescenta four or five days after it was posted and how the employees here could do nothing to remedy the situation.

Attorney W. E. Evans presided and called on members of the Chamber of Commerce postoffice committee for reports. Dr. Henry R. Harrower, chairman, was not present, so A. T. Cowan, publisher of The Glendale Evening News, was called upon. He said:

"I have been looking into the proposition of an independent postoffice for the last eight years, but as there is just one place to look in—the one window at the branch office—it has been pretty hard to see much in the way of better service. I do not know but what the people became weary. It seemed as though we could get nowhere."

Had 1900 Names/6 Years Ago
"Six years ago we had 1900 names on a petition for an independent postoffice, and it was filed in Washington. At that particular time of the year—November—we received a message from the Postmaster-General saying that Glendale, South Pasadena and other cities which had Los Angeles branch postoffices would have independent postoffices."

"We were very proud of the announcement and meetings were called a month or so after and prospective candidates were considered for the postmastership. We were sure that by January 1 Glendale would have its own postoffice, once more. Then the announcement was made that it was necessary to have the matter brought before Congress so that it could vote the necessary appropriation to establish the postoffice."

That seemed to be where the trouble commenced, according to Mr. Cowan's story and Glendale has never been recognized with an independent postoffice. The futile efforts to get better service through Harrington (Continued on Page Six)

Civic Center And Parks Are Sought

The committee on Civic Center and Parks is leaving no stone unturned in its campaign for the support of the good citizens of Glendale at the election next Tuesday, when bonds are to be voted for a civic center and parks. Streamers for automobile windshields and house-cards for posting in the windows of stores and homes can be secured at the Chamber of Commerce rooms.

One of the chief purposes of the civic center is to provide entertainment and games for the young people after they are out of high school. The loyal support of all citizens who are interested in their city will be required to accomplish this. It can be given by voting for the bonds at next Tuesday's election, which provide for the purchase of land and the construction of buildings and acquisition of necessary equipment for a public gymnasium. Those having machines which could be used on election day are asked to report early to the Chamber of Commerce, ready to take the voters to the polls.

Mary E. George Has Party For Friends

Mrs. F. M. George of 241 South Kenwood street entertained with a children's party yesterday in celebration of the eighth birthday of her daughter, Mary Elizabeth. The color scheme of yellow and white was carried out in the table decorations and the bouquets of spring flowers. A beautiful birthday cake decorated with roses and candles was one of the features of the refreshments which delighted the fifteen little folks present.

Locals And Personals

Mr. and Mrs. Fred Weyre of 517
Patterson avenue are on a motor trip
to Victorville for a few days.

Jack Levine of Selvas de Verdugo
is spending several days at Palmdale,
the guest of Donald Franklin.

Glendora Mellon of Pasadena is
spending the week with her aunt,
Mrs. Oscar Stees, of 240 South Glen-
dale avenue.

Mrs. J. M. Swanner of 452 Milford
street has been confined to her home
for several days with a severe case of
la grippe.

Mrs. Blake Franklin and children
of 398 West Wilson avenue are
spending the holidays with her son
at Palmdale.

Mr. and Mrs. R. L. McCourt of
326 North Central avenue will have
their Easter breakfast at Griffith
park Sunday.

Mrs. Mabel Franklin Ocker of 246
North Central avenue was the guest
last week of her nephew, Donald
Franklin, at Palmdale.

Charles Hart, a carrier boy for The
Glendale Evening News, found what
he calls his "good luck" coin. It is
a quarter dated 1876.

Miss Laura McQuiston of Pomona
college is spending her Easter vaca-
tion with her sister, Mrs. W. R. Van-
derwood, 519 North Kenwood street.

E. L. Schuyler and family returned
Wednesday from Mecca in Coachella
valley where they were visiting with
E. B. Ames who has a date farm
there.

Mr. and Mrs. J. F. Mercer of 404
West Dryden street leave tomorrow
for Butte, Montana, for the summer.
They will return to Glendale next
winter.

Miss Lois Webb of 127 West
Chestnut street entertained at lunch-
eon today Miss Eva Green and Miss
Helen Sherwood. The afternoon was
spent in needlework.

Frederick Balfour Bennett, for-
merly a war correspondent on The
New York Times staff and now a
scenario writer in Hollywood, was a
Glendale Theatre visitor last night.

Grace Jackson, daughter of Mr.
and Mrs. D. Ripley Jackson of 1800
South Brand boulevard, was operated
on Wednesday for tonsillitis and mas-
toid trouble. She is getting along
nicely.

Mr. and Mrs. J. T. Shannon of 417
Parkview Place, Los Angeles, are
spending the day in Glendale with
Mrs. H. C. Ellis of 610 West Vine
street. They were formerly neigh-
bors in North Dakota.

Mr. and Mrs. J. J. Bresnahan of
Needles returned home Wednesday,
after spending the fore part of the
week with Mrs. Bresnahan's parents,
Mr. and Mrs. Joseph Webster of 1020
South Central avenue.

Mr. and Mrs. C. H. Munson of Al-
hambra were visitors in Glendale yester-
day. Mr. Munson formerly owned
the Spohr drug store at Broadway
and Brand boulevard. He is engaged
in the same business at Alhambra.

Mrs. C. E. Hutchinson, president
of the Tuesday Afternoon club, and
Mrs. Mabel Franklin Ocker of 246
North Central avenue attended the
meeting of the Hollywood Women's
club and the presidents' council yester-
day.

Mrs. Mabel S. Judd and daughter
Grace of 130 South Orange street, ac-
companied by a number of high
school girl friends left yesterday for
Sierra Madre, from which place they
were going on a hiking party up the
mountains.

A party of Glendale people who en-
joyed an outing at Ocean Park and
Venice yesterday included Mrs. Wm.
Gibson, Imogene Gibson, Ethel Gib-
son and William Gibson of 227 West
Doran street, Wilfred Cline, Bob
White and Bob McCourt.

Miss Mildred Kipling of Victoria,
B. C., was a visitor recently at the
home of Mrs. Wm. Weger, 610 East
Orange Grove avenue. Miss Kipling
was formerly a resident of Glendale.
At present she is staying with friends
in Hollywood. She intends moving
back to Glendale.

Thomas I. Stephens, formerly con-
nected with the Glendale & Montrose
railway here, has returned to this
city from Monolith, Calif., where he
has been employed by the United
States Potash company. He has
rented a home from John Roman at
515 North Central avenue.

Mr. and Mrs. E. W. Lyon of 214
North Louise street had as their din-
ner guests last night Mrs. Ida Buck
of Denver, Colorado, Mrs. Neva Lyon
and Miss Emma Reed, both of Los
Angeles, and Mr. and Mrs. F. J. Run-
yon of Glendale. Beautiful Easter
favors decorated the table.

Mrs. A. R. Chappell of 338 Vine
street entertained the members of
the Pioneer Drive club at luncheon
yesterday. The color scheme of
yellow was carried out in the decora-
tions, and refreshments. Guests
present were Mrs. F. R. Frazee, Mrs.
J. W. Andree, Mrs. I. D. Vinton, Mrs.
R. E. Frey, Mrs. Mary Grigg, Mrs.
P. D. Potter, Mrs. C. M. Van Dyke,
Mrs. Challis, Mrs. Whitaker, Mrs.
H. L. Bullinger and Mrs. L. P. Abell.
The next meeting will be held at the
home of Mrs. C. M. Van Dyke.

Locals And Personals

Miss Helen S. Tupper of 1003 East
California street will spend Easter
Sunday at Ontario.

Two motor smashes of little conse-
quence were reported to the police
during the past twenty-four hours.

Mrs. Edith Walton and daughter,
Mary Elizabeth of 377 Milford street,
have returned after spending two
weeks at Long Beach.

Mrs. E. E. Williams has returned
to San Diego after spending a week
with her daughter, Mrs. Walter
Jones, of 310 Hawthorne street.

Thomas J. Ney of New Orleans,
La., and J. J. Richrich of Bethlehem,
Pa., were among the visitors at the
Chamber of Commerce headquarters
during the day.

Two red Indian flower pots were
stolen from the porch at the home
of Harry Blumenthal, 722 North Cen-
tral avenue, according to a report
to the police today. They are val-
ued at \$5 each.

Professor Alfred Cookman will de-
liver his lecture on the birds of
Southern California in the East
Whittier school this afternoon. The
Audubon society and the P. T. A. will
attend the lecture in the interest of
the wild life of the state.

While leaving the High School
cafeteria last night where the Cham-
ber of Commerce forum was served,
Mrs. H. E. Noble, 327 North Jack-
son, was taken ill and an ambulance
was called by Dr. Harry V. Brown to
remove her to her home.

The music section of the Tuesday
Afternoon club is holding an open
meeting this afternoon at the home
of Miss Eva Daniels, 324 West Colo-
rado street. The hostesses are Miss
Gertrude Champlain and Miss Dan-
iels. Arrangement of the program is
in charge of Miss Champlain.

Mr. and Mrs. C. H. Bott left
Thursday morning on a motor trip
to Seima where they will be guests
over Easter of Mrs. Bott's sister, Mrs.
Taylor, and her husband, the Rever-
end Taylor. Mrs. Brain is, as usual,
in charge of the book store during
the absence of Mr. and Mrs. Bott.

Two Doctors Attend Ex-President Wilson

WASHINGTON, March 25.—
Former President Wilson suf-
fered a sharp attack of indiges-
tion shortly after eating lunch
today. Members of the Wilson
family became alarmed and
summoned Dr. Cary T. Grayson
and Dr. Sterling Ruffin.
Mr. Wilson responded quick-
ly to their treatment and was re-
lieved in a little more than an
hour, it was stated. The physi-
cians said the attack would not
prove serious.

Water Development To Be Seen At Theatres

Tonight at 8:15 o'clock at the Pal-
ace Grand theatre and tomorrow
night at 7:45 o'clock at the Glendale
Theatre, a series of slides will be
shown by City Manager T. W. Wat-
son, the object of which is to explain
in pictures what the city proposes to
do in the way of developing an am-
ple water supply for Greater Glen-
dale.

Hart Realty Doing Excellent Business

L. A. Hart of the Hart Realty com-
pany, 120 North Brand boulevard, re-
ports that since March 1 he has turned
over \$23,620 worth of property and
he hopes to exceed the \$42,000 mark
he established in February. Busi-
ness is getting better every day in
his opinion as there is a larger de-
mand for building sites as well as
the better class of homes.

Suspended Sentence Given College Boys

Herbert Hamilton and Jesse Hess,
two Occidental college boys, were
tried before City Recorder F. H.
Lowe yesterday on a charge of steal-
ing two large light globes from the
Standard oil filling station at the
corner of Kenwood and Broadway.

When the judge said "Thirty days
in jail and \$50 each," the boys nearly
swooned.
After silently hearing the court's
lecture, they were much relieved
when Judge Lowe stated:
"I will suspend this sentence on
your good behavior."

Coast To Coast Flier Near Death In Fall

MONROE, La., March 25.—
Lieut. William D. Coney, mak-
ing a coast-to-coast-flight from
Pablo Beach, Fla., to San Diego,
Cal., fell at Crowville, La., near
here today. He sustained a dis-
location of the spine, and may die,
physicians said.
Coney left Jacksonville, Fla.,
at 1:40 o'clock this morning for
Dallas, according to officials at
Love Field.

GENERAL STRIKE IS
CALLED BY HEADS
OF COMMUNISTS
RADICALS DECLARE NUMBER
OF CONSERVATIVES WILL
JOIN IN WALKOUT

BERLIN, March 25.—A general
strike was ordered here today by
unanimous action of communist ex-
ecutives. It is to be effective Saturday.
Workers were urged to arm them-
selves and fight to the end. Seizure
of factories and sabotage on every
hand were urged.
The communist uprising in central
Germany had subsided somewhat to-
day, but leaders prepared for an ex-
tensive renewal.
Four thousand troops were rushed
into Saxony today. They were to be
quartered at Eisleben, where thou-
sands of communists were flocking
for a great demonstration tonight or
Saturday.
Reports here were that the troops
had a sobering effect but that the
atmosphere was tense.
Radicals declared many conserva-
tive workers will join in the general
strike tomorrow. Factories were
closed today because of religious
ceremonies.
Sabotage was begun last night
when great bands of strikers cut
transmission wires leading from the
Golpa plant, supplying Berlin with
much of its current.
Police guarded power houses here
to prevent similar action.
The uprising entered a new stage
today with the official communist
call for a general strike.
"Workers remember you broke the
Kapp 'putsch' by a general strike,"
reads the proclamation.
"Fight with us shoulder to shoul-
der in a counter revolution.
"Join the general strike. Rise ev-
erywhere! Fight hard! Victory is
ours!"
"Don't end the fight until the end
is reached.
"Arm the workmen, hinder the
transport of troops and ammunition.
Fight along the whole line!"
Safety Commissioner Berrins in a
statement today said his force was
fully prepared to suppress any com-
munist effort.

Recent Arrivals At
Glendale Sanitarium
Among the recent arrivals at the
Glendale Sanitarium and Hospital
are Z. J. Vitter of San Pedro, Mrs. W.
A. Feaster of Eagle Rock, Mrs. Wil-
ham Ford of Los Angeles, Mrs. A. J.
Herring of Santa Monica, Dr. H. F.
Rattee of Hollywood, Mrs. W. H. S.
Brady of Los Angeles and Mrs.
Fleishner of Huntington Beach who
was brought to Glendale in the Pul-
liam & Kiefer ambulance yesterday
by Dr. White.

Girl Steps On It And Even Wins Judge

Florence Gower, sixteen and pretty,
was speeding to her Burbank home
from Los Angeles on Monday. Along
the San Fernando Road Traffic Of-
ficer Trautwein spied her and the
race was on. He finally caught up
with her and charged that she was
going thirty-seven and one-half miles
an hour.
This morning Miss Florence ap-
peared before City Recorder F. H.
Lowe.
"Yes, Judge, I was going at a
pretty good clip. But the road was
clear and he (pointing to Traut-
wein) never caught me until I slowed
down for an obstruction along the
road."
Her frank disposition n'everything
caused the judge to dismiss the ac-
tion, as she was a minor.

Southern California

Search For Bandits

After a futile all-night search, de-
tectives were still hunting today for
four automobile bandits who late
yesterday held up the entire office
force of the Boyle Manufacturing
company in Los Angeles and escaped
with \$1,500. The amount represent-
ed part of the firm's payroll. Six
thousand dollars was overlooked by
the robbers. Revolvers were leveled
at five men and three women office
employees. In another room and un-
aware of what was taking place were
about 200 other workers waiting to
receive their pay.

Change Of Policy

The Hotel Raymond, of Pasadena,
famous winter residence of wealthy
tourists, has formally announced it
will accept no reservations from per-
sons of Jewish blood.

With the opening of the fall sea-
son all Jews will be barred, it was
admitted by Walter Raymond, man-
ager of the hotel.

"It is simply a change of policy,"
explained Raymond. "We desire to
conduct a one-party house. It is im-
possible to blend the Hebrew and the
Gentile races into a harmonious fam-
ily."

As a result of the action some
seventy wealthy Jewish guests have
left the hotel, canceling their reser-
vations, it is reported.

Two Meet Death

A heavy gale from the northwest
which attained a velocity of almost
forty miles an hour was responsible
for two deaths in Los Angeles today.

The wind swept down a fifty-foot
eucalyptus tree and its heavy trunk
crushed to death Frank J. Pearing,
33, and his uncle, David Leffler, 65,
both box makers, of Lennox Station,
near Inglewood. They were seated
in an automobile when the huge tree
crashed down upon them. Both
were dead before they could be ex-
tricated from the wrecked car.

Mount Wilson reported a forty-
eight mile gale. The wind at San
Pedro was blowing at a rate of thirty-
six miles.

"The gale probably will continue
all day and tonight, dying out tomor-
row," said the weather forecaster.

J. B. Glover Dies

James B. Glover, 79, for twenty-
four years a supervisor of San Ber-
nardino county, died in his home at
Redlands today. He was president
of the board of supervisors for four-
teen years. Although a Democrat,
Glover had been re-elected repeatedly
in strongly Republican territory.

J. G. Huntley And Party Snowballing

J. G. Huntley motored to Camp
Baldy yesterday with a party of girls
who enjoyed snowballing and other
winter sports two miles from the end
of the highway and more than 5000
feet high. The Misses Virginia Hunt-
ley, Kathleen Campbell, Elizabeth
Stornberg and Mildred Stanford
made the trip. They found the snow
fast melting.

Recent Arrivals At Glendale Sanitarium

Among the recent arrivals at the
Glendale Sanitarium and Hospital
are Z. J. Vitter of San Pedro, Mrs. W.
A. Feaster of Eagle Rock, Mrs. Wil-
ham Ford of Los Angeles, Mrs. A. J.
Herring of Santa Monica, Dr. H. F.
Rattee of Hollywood, Mrs. W. H. S.
Brady of Los Angeles and Mrs.
Fleishner of Huntington Beach who
was brought to Glendale in the Pul-
liam & Kiefer ambulance yesterday
by Dr. White.

CITY OF GLENDALE ORDINANCE AGAINST BUYS AUTO AND MOTORCYCLE

BOTH ARE PURCHASED AFTER
BIDS ARE RECEIVED AND
INVESTIGATION MADE

The city of Glendale will purchase an automobile from Jesse E. Smith. Yes, it's to be a Ford.

Also, the city will buy a motorcycle for the police department from a Los Angeles firm.

The decision were reached at the meeting of the Board of City Trustees last night, on the following recommendation from T. W. Watson, the city manager:

"In regard to bids to furnish the city of Glendale two-passenger, four-cylinder automobile referred to us at the last meeting, we respectfully recommend that the bid of Jesse E. Smith to furnish the city of Glendale one new model 'T' Ford roadster equipped with electric lighting and starting system for the sum of \$603.25 be accepted.

Bid for Motorcycle
"In regard to bid to furnish motorcycle for police department, we respectfully recommend that the bid of the Pacific Motor Supply company of Los Angeles to furnish one Indian motorcycle with special equipment for traffic service for the sum of \$692.30, terms cash in thirty days, be accepted.

Trustee A. H. Lapham objected to the price fixed for the motorcycle, declaring that it was too high. However, investigation made by Trustee Lapham and other members of the board showed, they stated, that a motorcycle equipped as desired by the police department could not be purchased for any less. Trustee Lapham made inquiries of the Los Angeles police department and elsewhere in an effort to save the city some money.

Last year Prussian state railway thefts reached the number of 238, 975. More than 17,500 loaded freight cars were stolen. Fifteen thousand thieves were arrested and convicted.

TEMPORARY AUTO APPROACHES

WOODEN STRUCTURES CAUSE
CLOGGING OF GUTTERS,
TRUSTEES DECIDE

An ordinance prohibiting the placing of temporary wood structures in the street to be used as approaches to automobile driveways will be drawn by Hartley Shaw, city attorney, it was decided at the meeting of the Board of City Trustees last night.

The trustees found that during the recent heavy rain storms, a number of gutters became clogged because temporary wooden structures used for driveway approaches were washed away.

T. W. Watson, at a meeting of the trustees two weeks ago, was instructed to learn if the city had a law regulating the use of wooden approaches and last night he reported as follows:

No Ordinance at Present
"In regard to the matter of temporary wooden structures being used in streets as approaches to driveways which was referred to us for investigation at your last meeting, beg to report that upon investigation we find that a number of such approaches are being used throughout the city. We find no ordinance specifically prohibiting the use of these approaches but we believe the public interest would be served by ordering the discontinuance of the use thereof and prohibiting such use by ordinance if such action is necessary."

As a result of the independent investigations made by the trustees following the storm and also accepting the city manager's report, the board decided to have the city attorney prepare an ordinance that will prohibit the use of temporary auto approaches.

H. H. VAN LOAN, ONCE REPORTER, TELLS HOW TO WRITE

AUTHOR, RESIDING IN THIS
CITY, IS SPEAKER AT
GLENDALE THEATRE

H. H. Van Loan of 121 West Euclid street, noted author, playwright and scenario writer, who got his idea for the Glendale Theatre's Selznick feature, "The Wonderful Chance," while working as a police reporter on the New York World, appeared in person at the Glendale Theatre last night. Members of the Board of City Trustees and Chamber of Commerce were among those present.

Mr. Van Loan spoke of the difference between writing for the screen, stage, magazines and newspapers and declared that the ordinarily successful novel seldom screens well because too much action has to be crowded into the picture. He received a large ovation at the close of his address.

Dual Role Well Done
Quite the best thing that Eugene O'Brien has done for the screen is his portrayal of the dual role of "Swagger" Barlow, the crook, and Lord Birmingham, the English nobleman, in "The Wonderful Chance." Mr. O'Brien is a most likeable character as the somewhat fastidious burglar who desires to forsake his criminal career, following a three-year term in Sing Sing and the conviction that the game is not worth the risk.

There is action galore and the scenic investiture of the production runs all the way from East Side dives to Long Island country homes, and all are true to their respective localities.

Pathe News, a comedy and scenic, complete the program.

G. W. Forster of the bureau of farm management of the department of agriculture predicts that farm labor will be plentiful throughout the entire United States during 1921.

Greeks' Long Dream Cannot Be Realized, Belief Of Officials

SMYRNE, Asia Minor—Greece may extend her boundaries—on paper—so as to include practically all of the ex-Turkish Levant; she may occupy the entire coastline of the Aegean and Marmora seas, with the active or noncommittal assistance of the allies, but the long dreamed of Hellenization of the former Byzantine Empire is a virtual impossibility. This is the firm conviction of enlightened and unprejudiced Greek and entente officials in Smyrna today. The situation in the city of Smyrne, for instance, is pointed to as an example of what the Greeks are up against. Smyrne has a population, roughly estimated, at 350,000. Of this number fully one-third are pure Turkish, Greeks, Armenians and Jews, evenly divided, make up the other two-thirds, including, of course, the scattering of Europeans and Levantines.

With the fatalism of his race, the native Turk has resigned himself to his fate. He realizes that the Ottoman empire, so far as Smyrne is concerned, is no more. He has seen the sultan gradually and irrevocably pushed back, back, back, into Asia the past two decades. After ten years of war, the average Musselman is not sorry. However, he will not co-operate with the invaders. He accepts the present state of affairs because it is.

So far as the Turk is concerned, the Greeks are not worried. They have seen the Mohammedans gradually forced out of Greece, Macedonia, Thrace and Bulgaria. Civilization and the Turk do not mix. In a few years they expect the overflow from old Greece and the islands to crowd out the native. They point to England's colonial policies as an example and justify their aspirations under the "March of Civilization."

It is the Levantine, the renegade Greek, the Armenian and the Jew that is the unassimilable factor in this part of the world. The Levantine alone is enough to discourage those who hope to see Smyrna and the Asia Minor coastline become purely Hellenic again—if it ever was. Non-national and usually multi-racial, the Levantine owes allegiance to no country and refuses to recognize the authority of none. Under the Ottoman rule he was virtually unmolested. Under inter-internal control he expects a sort of leniency, with maximum privileges and a minimum of obligations and restrictions.

"We don't want more liberty, we want more money for our olive oil," is the context of an actual message received by King Constantine in Athens, shortly after his return, when he promised revision of the constitution along more democratic lines.

The Spanish government suspended wheat purchases recently on account of the over-supply of the Spanish market. However, this act will not interfere with individual purchases.

DEFEAT IS CERTAIN NEW TRAC FOR CITY COLLECTOR OF GARBAGE

SOME DETAILS ARE GIVEN ON METHODS OF ATTACK ON BARRACKS OR AMBUSH THAT PRESENT EQUIPMENT IS NOT SUFFICIENT

By CHARLES M'CANN
United Press Staff Correspondent
DUBLIN—When an attack on police barracks or an ambush of police or soldiers is heard of, the official report usually mentions a round number of 100, 150 or 200 men engaged on the rebel side.

It is probable there never was an ambush with fifty or a barracks attack with more than eighty or ninety men on the republican side. In cases where the report mentions that barracks attackers withdrew after three-quarters of an hour of firing, it is probable the "attackers" were the average assignment of two bombers and three shotgun men told off to "fake" an attack and cut telephone wires in hope that the besieged garrison would send up rockets for help—and that the rescuers would meet the real ambush enroute.

Ambushes and attacks are planned in great detail. Usually the brigade commander will plan them with his staff. When there is an important attack on a big, strong barracks the permission of the general staff is sought; on any major operation, in fact, when in the case of a barracks eighty men may be used. If there are technical difficulties engineers or other experts are sent from Dublin or elsewhere by the general staff. Otherwise the brigade commander or his subordinates will carry out the attacks themselves.

Important Single Element
A recent ambush shows the usual number of men engaged. In this, the report to the general staff gave the composition of the attacking party as: Nine riflemen, fifteen shotguns, six bombers, six engineers (to dig trenches and fell trees in roads to block approaching lorries) and sixteen scouts and outposts.

The scouts and outposts are perhaps the most important single element of an ambush. They are placed at strategic points. Their principal duty is to signal the approach of the enemy; perhaps from a commanding hill or an embankment; perhaps from a tree or telegraph pole. But in an attack they must use their own initiative.

The ambushing party may meet at a designated place, where the volunteers are instructed in their duties. They take their places along the roadside, where they take advantage of natural cover behind hedges or in ditches, make simple earthworks and await the arrival of lorries, perhaps eating a field ration of tinned beef during a wait of several hours. Under their protection across the road at a designated point where a lorry will be stopped in the center of the attacking force. The outposts and scouts take their posts and give warning of the enemy.

Volunteers Roughly Armed
Sometimes the volunteers are successful in an ambush, when after a half hour's firing, with mutual casualties and probably mutual deaths, they will capture and disarm the military or police patrol.

Sometimes the volunteers retire after an attack in which they both inflict and suffer casualties. In this case the withdrawal is usually because of the approach of reinforcements.

In several recent cases ambushing parties have been surprised by military whom some citizens had warned of the ambush. Then there are always republican casualties; the toll of deaths was sixteen in a recent case. The volunteers often are roughly armed, and they are fighting well-armed men. Their big advantage is that of surprise, but this may be discounted by the fact that the ambushed party is expecting attack and is prepared for it. The republican army's principal difficulty is in training men. They must drill secretly, and they are poorly armed. Also they are youths. They have the danger and none of the glory of war; capture means a probable hanging and victory means a return to the plow in the morning.

Counties In Idaho Propose To Secede

BOISE, Idaho—Governor D. W. Davis gave his approval to a joint resolution of the state assembly authorizing the appointment of a commission to direct the secession movement of the ten northern Idaho counties which would be formed into a new state.

The resolution authorized the appointment of a commission to be composed of five members, to meet and confer with a like commission to be appointed by the legislature of the state of Washington, for the purpose of deciding on the boundary lines and taking the matter of creating a new state directly to congress.

Under the plan so far made Spokane is to be the capital of the proposed new state. Ten northern Idaho counties are to be included, together with the territory in eastern Washington comprising as many counties.

Since 1910 the Pennsylvania railroad has laid 56,230,904 new cross ties and 1,347,289 tons of new rail.

(Continued from Page One)
est of the city would be served by the cancellation of this contract and bond and the entering into a new contract based on bids to be received at the earliest practicable date.
"We therefore respectfully recommend that the contract under which L. C. Orndorff is collecting garbage for the city and the bond furnished in connection therewith be canceled and that the city clerk be instructed to advertise that bids will be received by your board up to 8 o'clock p. m. March 31, 1921, for the collecting of garbage and waste matter in the city of Glendale as follows:

Suggestions Made

"First. On the basis that the city gather the garbage and deliver it to a location to be stated in the bid, parties receiving same to pay the city a stipulated amount per ton therefor.

"Second. To gather all garbage and table waste within the city of Glendale twice each week from the residence sections and daily in the business districts, consideration to be a monthly payment.

Third. Same as number 2 including the gathering of tin cans, glass, ashes and other non-combustible waste matter."

Matter Is Discussed

Following the reading of the city manager's report, the trustees discussed the matter and Trustee Bartlett made a motion, seconded by Trustee Henry, that the recommendations of the city manager be followed.

Then President Stephenson suggested that perhaps it would be better to learn on just what terms a new contract could be secured before canceling the present one. This suggestion met with approval and the motion made by Trustee Bartlett was withdrawn and bids will be asked for as outlined in the city manager's communication.

NOTICE OF TRUSTEE'S SALE

WHEREAS, By deed of trust dated February 19, 1920, recorded March 1, 1920, in Book 6985, page 214, of Records of Los Angeles County, California, to which record reference is hereby made, Herbert H. Van Loan and Gertrude C. Van Loan, husband and wife, did grant and convey the property herein and hereinafter described to Leigh Bancroft, of Los Angeles, California, as Trustee to secure among other things the payment of two certain promissory notes executed by them, in favor of Thomas E. Atwater, or order, one of said notes being for the principal sum of two thousand dollars and the other for the principal sum of one thousand dollars, and each bearing interest at the rate of six percent payable upon the terms and at the times therein particularly set forth, both of which notes are specifically set forth in said deed of trust, reference to which is hereby made for further description thereof; and,

WHEREAS, Said Thomas E. Atwater for a valuable consideration did thereafter, on the 23rd day of August, 1920, grant and assign each and both of said notes, together with all his right, title and interest in and to said deed of trust and the property conveyed thereby, to Mrs. W. S. Fleming, a single woman; and,

WHEREAS, On August 25, 1920, said Mrs. W. S. Fleming for a valuable consideration did grant and assign to Laura Bancroft each and both of said notes, together with all her right, title and interest in and to said deed of trust and the real property conveyed thereby; and,

WHEREAS, Said Laura Bancroft is now the owner and holder of each and both of said promissory notes and is the owner and holder of all rights and interests under said deed of trust securing payment thereof; and,

WHEREAS, There has been default in the payment of the principal of each and both of said notes according to the terms thereof and of all interest due and payable thereon subsequent to August 10th, 1920, there being the total sum of \$3117.75 now due and unpaid as principal and interest upon said notes; and,

WHEREAS, In accordance with the provisions of Section 2924 of the Civil Code of the State of California, said Laura Bancroft, the owner and holder of each and both of said notes and trustee thereof, did on August 25th, 1920, cause to be recorded in the office of the County Recorder of said Los Angeles County notice of such default in the payment of principal and interest and of her election to cause the property described in said trust deed to be sold in accordance with the provisions thereof to satisfy said obligations and each of them, which notice of default and election to sell was duly recorded in book 7186, page 283 of the Records of Los Angeles County, California; and,

WHEREAS, Said trust deed provides that if there is a default in the payment of any of the sums secured thereby, then upon application of the holder of said note the trustee shall give notice of such default and election to sell, and shall be necessary to satisfy the indebtedness secured thereby, together with such costs and expenses as may be incurred, as provided in said trust deed; and,

WHEREAS, Said Laura Bancroft by reason of the default in payments as stated has requested said Leigh Bancroft, trustee, to give notice and to sell said property, or so much thereof as it shall be necessary to sell to pay all indebtedness secured and expenses incurred necessary to the execution of said trust;

NOW, THEREFORE, Notice is hereby given that said Leigh Bancroft, by virtue of the authority vested in him as trustee, will sell at public auction to the highest bidder, for cash in gold coin, on the sixteenth day of April, 1921, at the hour of eleven o'clock A. M., of said day, at the western front entrance of the County Court House in the City of Los Angeles, County of Los Angeles, State of California, all the interests conveyed to him by said trust deed and to the following described property, to-wit:

Lot Eight (8) in Block Six (6) of the Tropic Boulevard Tract, in the City of Glendale, County of Los Angeles, State of California, as per map of said Tract recorded in Book 4, page 95, of Maps, in the office of the County Recorder of said County.

Or so much thereof as shall be necessary to pay the total amount of the principal and interest of each and both of said promissory notes, together with all advances, expenses, charges and costs, amounting to the sum of \$3,442.35, due and unpaid.

IN WITNESS WHEREOF, Said Trustee has hereunto set his hand this 24th day of March, 1921.

LEIGH BANCROFT, Trustee.

France Is Losing Mastery Of Air, Is Belief Of Experts

By JOHN DEGRANDT
United Press Staff Correspondent
PARIS—France has fallen from the third to the fourth place as air power, being now after the United States, England and Germany, according to Rene Quinton, aviation expert, who founded the French Aeronautical League.

"Everybody knows the efforts that France is making for its aerial army," he said, "but they are not sufficient. An aerial commercial fleet, which would be well exploited, would not only be profitable and help the economic life, but would also maintain a fleet which can become war power instantaneously.

"While elsewhere the postal aerial service is developed, it remains here an experiment which is little used. The aerial routes in France are very incomplete. The two lines that are in good shape run between Paris and Prague and Paris and Morocco. The traffic is becoming important, thanks to constant publicity, whilst between Paris and London, Paris and Brussels, the airplanes carry a few daily parcels of mail, because most people don't know the lines exist.

"In the meantime, the United States in one year has established nearly twelve thousand kilometers of lines.

"England has increased aerial relations with the neighboring capitals, but is not using the airplane so much at home, on account of her railroad network and because of the dangerous, frequent fogs, but she prepares things for air lines towards Egypt and India."

Official Minutes Of City Trustees

At the regular meeting of the city board of trustees, March 24, the following was transacted:

The board assembled at 7:30 p. m., all members present. The minutes of the meeting of March 17, were read and approved.

Permit To Remove Trees

A communication was read from S. Berman requesting permission to remove seven trees from the parkway on Brand boulevard at Elk street. Referred to the city manager.

From Horse Shoe Club

A communication was read from the Horse Shoe club stating that by a vote of thanks the club extended its appreciation to the trustees for courtesies received. Ordered to be filed.

To Remove House

Communication was read from C. W. Ingledue requesting permission to remove a house from 119 East Broadway to lot 16 of the W. S. Knott tract. Referred to the city manager.

Report Of Sanitary Inspector
The sanitary inspector reported that he had investigated sanitary conditions at tent houses on South Maryland avenue and found them as far as sanitation is concerned in good order.

Report Of Fire Chief

Fire Chief Lankford reported in regard to application of Schaffer & Mils to install a dry cleaning machine at 221 East Broadway, that the original application had been amended; the machine to be run by electric power and located in a fire proof building in the rear of the building now occupied. He recommended that application as amended be granted. On motion of Trustee Robinson, permit was ordered to be issued.

Report Of Building Superintendent
Building Superintendent Marek reported in regard to application of the Valley Supply company to install certain machinery, that he had fully investigated the matter and believes that no legitimate objection can be raised to the installation of the machinery. On motion of Trustee Henry, permit was granted to Mr. Hollister to install certain machinery in the building he proposes to construct on the southwest corner of Wilson and Maryland avenues.

Report On Bids

In reference to the bids referred to him at a previous regular meeting, the city manager recommended acceptance of the bid of Jesse E. Smith to furnish the city a Ford roadster, fully equipped, for the sum of \$603.25. He also recommended the acceptance of the bid of the Pacific Motor Supply company to furnish one Indian motorcycle with proper equipment for traffic service, \$692.30. On motion of Trustee Henry recommendations of the city manager were approved and bids ordered to be accepted in accordance with same, by the following roll call:

Ayes: Bartlett, Henry, Lapham, Robinson, Stephenson.
Noes: None.

Sidewalk Approaches

The city manager reported in regard to temporary wooden structures used on the streets as approaches to driveways, that a number of such driveways are being used and recommended that the use of the same be prohibited, by an ordinance to be framed for that purpose. On motion of Trustee Robinson the city attorney was directed to prepare an ordinance in accordance with the recommendation of the city manager.

Garbage Contract

The city manager made a written report in regard to contract of L. C. Orndorff with the city for collection of garbage; stating that owing to the increased growth of the city since the contract went into effect, the contractor finds it necessary to increase his equipment and desires extra compensation for the work. The manager recommended that the city clerk advertise for bids on a new contract. On motion of Trustee Bartlett, the city clerk was instructed to advertise for bids to take care of the city garbage.

Legal Opinion On Bonds

On motion of Trustee Henry it was ordered that the city procure from Attorney J. C. Thompson of New York city legal opinion as to the legality of the \$50,000 bond issue by municipal district No. 3.

Stanley Avenue Opening

At 8 o'clock, in accordance with advertisement, protests were called for against the opening of Stanley avenue as provided for in ordinance No. 420. The clerk reported that protests were on file from Frank Campbell, Mrs. Daisy P. Hoover and F. L. Swigert. Frank Campbell, Mrs. From and one or two others addressed the board objecting to the improvement. The city engineer reported that names on the petition asking for the opening and extension of Stanley avenue represented 2,032.68 feet of frontage, while the protests represented approximately 685 feet. The motion of Trustee Henry was adopted over-ruling and denying the protests against the opening and extension of Stanley avenue from the westerly line of lot 82 of the Watts subdivision to the westerly line of Verdugo Road, as set forth in ordinance of intention No. 420; on roll call as follows:

Ayes: Bartlett, Lapham, Henry, Robinson, Stephenson.
Noes: None.

Improvement Of Garfield Avenue

A petition was presented signed by Mrs. Farrington and eleven other property owners requesting that the board take necessary proceedings for the improvement of Garfield avenue between Glendale avenue and Brand boulevard, and that the city proceed at the same time to lay a water service main of proper capacity to serve said street. Referred to the city manager.

Demands

The demands were presented, referred to the finance committee and later approved, by the finance committee and on motion of Trustee Robinson, warrants were ordered to be issued in payment of the same by the following roll call:

Ayes: Bartlett, Henry, Robinson, Lapham, Stephenson.
Noes: None.

Contract With Mr. Dutcher

The city attorney presented to the board certain correspondence between Mr. Dutcher and the city authorities in reference to supplying tract No. 3131 with water and light and expressed the opinion that the city is obligated to continue the supply, and on motion of Trustee Robinson it was ordered that the public service department be authorized to furnish water and light to tract No. 3131 in accordance with agreement with Mr. Dutcher by the following roll call:

Ayes: Bartlett, Henry, Lapham, Robinson, Stephenson.
Noes: None.

Proposed Bus Line

The city attorney stated that there seems to be no legal reason why the board should take any action in regard to Mr. Offutt's application for permit to establish bus service over certain specified route in the city of Glendale, and no action was taken.

Opening Of Stanley Avenue

Trustee Henry presented an ordinance which was read and laid over ordering the opening and widening of Stanley avenue as set forth in ordinance of intention No. 420.

Assessment For Maple Street

Mr. Hancock appeared before the board protesting against the assessment for the improvement of Maple street, stating that it was not expected by the property owners along the improved portion of that street, that they should be heavily assessed for the work of improvement necessary to the eastern end of the street, which was ungraded. Mr. Hancock was requested to put his protest in writing, so that it might receive consideration of the board in committee of the whole.

Adjourned at 8:30 p. m.

Story Of Adventure At Palace Grand

"Isobel" or "The Trail's End" is the great story of adventure to be seen at the Palace Grand theatre again today in conjunction with Larry Semor's latest two-reel comedy treat, entitled "The Sportsman."

Supported by a big cast of northern characters, House Peters, already a matinee idol of heroic qualities plays the rôle of Sergeant William McVeigh of the Canadian Mounted Police in carrying law to "The Trail's End." It is a James Oliver Curwood story produced by Edwin Carrawe, which is about the best recommendation that could be given any feature film.

Nils Gilliam, director of the Palace Grand orchestra, is producing some wonderful musical results with his organization. "Love in Lilac Time," "The Arabian Yogi Man" and "Pining" are among the popular numbers played with this show.

Tomorrow a double bill will be shown with Buster Keaton in "The Haunted House" and Bert Lytell starring "The Misleading Lady."

So many inquiries have been received that Washington has notified postmasters that postage, inclusive of insurance fees and postage war tax, may be allowed, when claimed, on account of the outright loss of insured parcels.

NOTICE OF ASSESSMENT

VALLEY WATER COMPANY, a corporation, its principal place of business being located at La Canada, County of Los Angeles, State of California, (postoffice address of said corporation being R. F. D. No. 13, Box 117, Los Angeles, California).

NOTICE IS HEREBY GIVEN that at a meeting of the board of directors held on the 24th day of February, 1921, an assessment of fifty cents (50c) per share was levied upon the capital stock of the corporation, payable February 24, 1921, to E. A. Brigham, treasurer of Valley Water Company at the office of said corporation, to-wit, at the residence of E. A. Brigham, La Canada, County of Los Angeles, California, (the postoffice address of said corporation being R. F. D. No. 13, Box 117, Los Angeles, California). Any stock upon which this assessment shall remain unpaid on the 11th day of April, 1921, will be delinquent and advertised for sale at public auction, and unless payment is made before, will be sold on the 26th day of April, 1921, to pay the delinquent assessment, together with costs of advertising and expenses of sale.

F. D. LANTERMAN,
Secretary of Valley Water Company, R. F. D. No. 13, Box 49, Los Angeles, California.

Without a Motor Car

If you are one of the many newcomers in Glendale you may not know that you can take one of the most beautiful scenic rides in Southern California without a motor car.

You may not know that for a single street car fare you can ride through one of the most charming valleys to be found anywhere, past pretty mountain cottages and more pretentious country estates with views of mountain vistas, wooded dells and canyon streams unsurpassed.

The Glendale & Montrose railroad traverses such a section, taking a course through the mountain pass known as beautiful Verdugo Canyon and passing near the old adobe that was the original ranch house on the Verdugo estate in the days of the Dons.

The road emerges from the canyon at Montrose where new views are seen and then on to La Crescenta where from the heights you look upon scenes of unsurpassed beauty.

GERMAN TROOPS IN EFFORT TO STOP BIG UPRISING

THOUSANDS OF WORKERS, ALL WELL ARMED, READY FOR CLASH WITH SOLDIERS

By CARL B. GROAT
United Press Staff Correspondent
HALLE, Germany, March 25.—German troops arrived here today to suppress the communist uprising. Fighting was expected at any moment. Soldiers brought artillery and machine guns prepared for an onslaught by thousands of workers from the big Leuna plant. A patrol of safety police was surrounded by a great mob near Eisleben during the night and fighting continued until dawn.

An ammunition wagon, following the police, was blown up. Police alone in two days of fighting have lost seven men with twelve wounded.

Bitter fighting continued at Eisleben. The strikers, mostly copper miners, long accustomed to facing death, were especially bitter. A show of arms had little effect on them.

The miners were surprisingly well armed. Compelled to surrender weapons when captured, they obtained more from supplies hidden in mine shafts.

Train service was disrupted in the entire district but especially bad in the mining territory.

Sabotage throughout mid Germany included the crippling of light and power plants.

Miners declared they will join the general strike called for Saturday. Before the communist executives in Berlin called a general strike, those in the Halle district had proclaimed that they would not return to work "until the end had been obtained."

Majority socialists refused to join the walkout and to a minor extent aided the police and military. Safety police following a lull in street fighting last night declared the uprising would end if the night remained quiet. Shortly afterwards 4000 miners, declaring their strike, precipitated more street fighting.

At Aradorf, a large body of police fought off a band of rioters who had planted a large charge of dynamite under a railway bridge. Plundering of shops continued to a lesser extent today, but no more public buildings were dynamited.

Americans Held By Germany Will Gain Their Liberty Soon

MOSBACH, Germany, March 25.—Carl Neuf and Franz Zimmer, American detectives serving prison sentences here, and whose release has been demanded by the United States, probably will not serve their full terms, it was stated today. The Germans plan to free them as soon as it is possible to do so and at the same time "save Germany's face." It is intended to keep the men in jail a reasonable time and then turn them loose with the explanation that the Berlin government was going to do so anyway and that the American government's demand had nothing to do with it.

Meanwhile, the Germans fear an attempt will be made to liberate the Americans by force. Officials were worried because of the town's proximity to the allied lines and planned to remove the prisoners toward the interior of Germany.

There was special fear that the French would release the men if the allies should decide to extend the occupation zone.

The detectives, who were attached to the American army and were sentenced after attempting to kidnap the American slacker, Grover Cleveland Bergdoll, were said to have no complaint as to their treatment. They were reported well fed and permitted to receive supplies from Coblenz, American headquarters.

Reports circulated today were that the Americans were surprised to receive a prison sentence, believing that arrangements had been made for their liberation.

Miss Ruth Wilson Has Dinner Party

Miss Ruth Wilson of 118 North Louise street entertained with a dinner party at her home last night. Covers were laid for Mrs. Harry Lewis and daughter Rodma, Miss Miriam Lewis, Mrs. M. Franklin Kline and daughters Louise and Bobette, Mr. and Mrs. S. Robbins, Harry Lewis, Miss Ruth Wilson and mother, Mrs. Bertha Wilson, who assisted her daughter in entertaining. The dining room was decorated with ragged robin roses.

After extensive experimental work it has been found that repair bills for damaged roads would be greatly reduced if motor trucks were designed to carry more of the loads put on them over the front axle and less over the rear wheels. Pneumatic tires also reduce impact and cause less damage to the highways than those of hard rubber.

INSTALLS OFFICERS FOR NEW LODGE OF A. O. U. W.

STATE ORGANIZER COMES TO GLENDALE TO TAKE PART IN CEREMONIES

Organization of the lodge and installation of officers of Glendale Lodge No. 2, Ancient Order of United Workmen, took place at the meeting held in Knights of Pythias hall Wednesday night.

The ceremonies were conducted by State Organizer E. T. Lyle. Following is a list of the officers installed:

The ceremonies were conducted by State Organizer E. T. Lyle. Following is a list of the officers installed: Past Master Workman, Joseph V. Griffin; foreman, Ernest D. Morgan; overseer, George Meyer; recorder and financier, Helen E. M. McBryde; treasurer, H. M. Calkins; guide, Ralph Meyer; trustees, J. R. McBryde, James M. Rhoades, Dr. C. W. Taylor; medical examiner, Dr. C. W. Taylor.

A social hour followed the meeting, during which refreshments were served. The next meeting will be held April 6.

Poor Outlook For White Sox Club In 1921 Baseball Season

By MALCOLM MAC LEAN

Written for the United Press
CHICAGO, March 25.—From the dizzy perch of champions to a fight to top the second division this season is the sudden and discouraging position of the shattered White Sox. The recent exposure resulting in the release of eight players of the team transformed one of the greatest clubs of all time into a question mark.

What is the outlook for 1921? It's none too encouraging, but if three likely looking recruits from Salt Lake City deliver, the Sox have a fair chance to climb upward in the next two or three years.

Earl Sheeley, coast batting slugger, who hit .371 last year, is the first base prospect.

Ernie Johnson, former Hose, who managed the Mormons and hit .338, is the third base possibility, and Mulligan, an ex-Cub who hit .229, is the shortstop chance. If they make good, and they have played exceptionally

NUMBER OF MOVES BEING MADE BY LOCAL PEOPLE

PUBLIC SERVICE DEPARTMENT RECORDS SHOW VARIOUS RESIDENCE CHANGES

Among the moves recorded this week at the public service department at the city hall are the following:

Charles Kausen, 225 Burchett to 423 West Patterson; H. F. Boschult, 128 South Louise to 144 South Eagle; C. E. Blake, 1721 Gardena to San Jacinto, Cal.

Those requesting meter installations for new homes or service follow:

L. B. Beach, 1227 North Brand; W. E. Pelley, 730 Raleigh; A. G. S. Peterson, 160 South San Fernando; Charles V. Dible, 318 East Cypress; Henry M. Hunt, 606 West California; A. I. Knox, 1010 East Elk; W. Hunsfeld, 537 West Pioneer; T. B. Sanders, 623 West Broadway, and Thos. P. Welch, 415 Oak.

American Navy Now Caring For Refugees

CONSTANTINOPLE—The American navy is acting as guardian to the Crimean refugees in the hospitals of this city, whose families have been separated from them. The absolute necessity of evacuating refugees from Constantinople has resulted in hundreds departing from the city and leaving kinsfolk behind, ill in the hospitals. The American navy has undertaken to keep track of all of the sick people thus separated from their families.

The number of sick is increasing. The Russian summer embassy at Buyk Dere has been turned into a refugee hospital equipped by the American Red Cross. Such is the inadequacy of facilities for caring for the sick, that in all hospitals available for refugees, more than half of the patients are sleeping on the floor.

MIXTURE OF ANCIENT AND OF MODERN FUN; HISTORY IS PLEASINGLY RELATED

The following books were released for distribution at the Glendale public library yesterday afternoon:

"The Dragon," a wonder play by Lady Gregory. The strangest mixture of ancient and modern fun ever concocted.

"Crowding Memories," by Mrs. Thomas Bailey Aldrich. A series of fresh anecdotes of eminent persons and also a charming pen picture of her poet husband.

"The Sword of the Lord," a romance of the time of Martin Luther. An historical novel, by Joseph Hocking.

About Russian Society

"Smoke," by Ivan Rugenev, is chiefly interesting as a description of Russian society not only in the '60s but even up to 1917.

"Play in Education," by Joseph Lee.

"The Order of Nature," by L. G. Henderson.

"The Child in the House," by Walter Pater.

"Sartor Resartus," the life and opinions of Herr Teufelsdröckh, by Thomas Carlyle.

"Chaucer and His Poetry," by George Lyman Kittredge, containing lectures on "The Man and His Times," "The Book of the Duchess," "The Canterbury Tales" and others.

Translations of Meditations

"Meditations of the Emperor Marcus Aurelius Antoninus," translated by George Long, M. A.

"The Voters' Text Book," (Contributed.)

"The Education of the Will," by Jules Payot. (Contributed.)

Pratt's Digest of National Banking Laws. (Contributed.)

"A Central Bank," (Contributed.)

"Principles of Public Speaking," by Daggy. (Contributed.)

Chinese Asks Damages From His Assailants

VIRGINIA, Minn.—Declaring that the defendants drove him from his place of business, then struck him on the head with a dangerous weapon and left him on the pavement unconscious, Sam Lee of the European cafe, a Gilbert Chinese restaurant, filed an action here against E. J. Jacobson and John Toleen. He states the rough house started in the cafe October 2 last; that they threw cups and plates, driving him out. He claims he was in bed three weeks and asks damages of \$1550 and \$500 for his cook's wages while incapacitated and \$100 medical aid.

Publicity Campaign Urged On Supervisors

SAN JOSE—Resolutions asking the San Francisco board of supervisors to call a conference of all county boards of Northern California for the purpose of outlining a plan for the advertising of the northern part of the state were adopted by the board of directors of the San Jose chamber of commerce. The resolutions have been adopted by other chambers throughout the north, and the project proposes the co-operation of the forty-five counties north of San Luis Obispo, Kings, Tulare and Inyo.

Should Clergy Wear Yellow Waistcoats?

LONDON—Should a clergyman wear a yellow waistcoat?

This question is vexing the minds of the lowest house convocation at Westminster.

Canon Wood pointed out that one of the evil results of the war was that the younger clergy were abandoning the ordinary distinctive dress. "At a church gathering not long ago," he said, "I saw a young priest in secular garb with a flaming yellow waistcoat. It excited my amazement. It was an outward and visible sign of failure to recognize that he is a being apart from other men, being a man of God, not a man of the world."

However, according to a number of the younger clergy who expressed their views, a yellow waistcoat can convert more sinners in a week than an orthodox black coat complete with "pancake" hat and clerical collar can influence in a month. The younger clergy are largely men who did their bit in France and elsewhere and who have got to know human nature intimately through common sufferings. They claim to be better able to judge of the psychology of sinners by mingling with them as "man to man," regardless of garb, than by donning the black coat and pious air which more often than not scares would-be penitents away.

Many present day clergymen say that some of the best work is effected by going into saloons and talking with their recalcitrant flock over a good, honest glass of beer.

Plan To Reorganize Educational System

MADISON, Wis.—Reorganization of the educational system of Wisconsin to bring about greater efficiency and harmony is proposed in a bill introduced in the legislature by Senator George B. Skogmo of River Falls. This move marks the first definite step to clarify the beclouded situation surrounding administration of the school system of the state.

While providing for reorganization, the bill does not require a serious shake-up of the existing agencies and is designed to prevent any further trouble caused by overlapping of authority. It has been proposed with the advice of leading educators of the state and on a plan recommended by educational experts of the country.

Administration is centered in a new state board of education made up on an entirely different basis than the present board, which would be abolished along with the board of vocational education. No representation of the educational institutions of the state is proposed, nor would the governor be a member of the suggested board.

An organization of seven members is proposed, one a representative of labor, one of farmers, one of the business interests and another member who must be a woman. Two additional members are to be appointed without reference to their occupation.

Town Mayor's Trials Given Brief Outline

MARION, S. C.—A policeman's lot, sang the pirate chasers in the old operatic satire, is not a 'appy one; but compared to the job of being mayor of Marion the "bobbies" of the song were without a care, in the opinion of Palmer W. Johnson, just back to private life after six years as "public footwiper," to use his own expression.

His retirement, Mr. Johnson announces joyfully, was by request. The folks indicated that they didn't want him as mayor again by voting him down, and as editor of the Marion Star the ex-mayor promptly shouted, editorially, "Glory be!"

"One," said Mr. Johnson, commenting on ways of his fellow townsmen during his six years in office and employing the plural tense sacred to editors and kings, "called us a gentleman and was promptly slugged by one who said we were a bum."

"They heaped all the troubles of the universe upon our weary bald pate—and then they lifted all our burdens from us by beatin' us at an election—Glory be!"

Here are some of the things the ex-mayor noted during his six years as "the public complaint box and footwiper."

"We have settled land disputes, family disputes, dog disputes and some unfair accounts."

"We have been insulted, disgusted, spat upon and imposed upon."

"We have locked up culprits for wrongdoing and then envied them their place of limbo."

"We have been blamed for stopped sewers, blocked streets, heavenly showers, poor telephone service and the present price of cotton."

"We have been cursed for cutting down trees and threatened with death for allowing other trees to stand."

"We have been blacklisted for the bum work of one policeman and ostracized for the sterling work of another."

"We have been called a liar until we almost believe it."

"We have become widely known as a grand rascal, an arch criminal, a desperado, a policy player and a bigoted fool."

"We have been called a liar until we almost believe it."

"We have become widely known as a grand rascal, an arch criminal, a desperado, a policy player and a bigoted fool."

"We have been called a liar until we almost believe it."

"We have become widely known as a grand rascal, an arch criminal, a desperado, a policy player and a bigoted fool."

Thieves Cut Carpet From Church's Floor

CLINTON, Iowa—Iowa's meanest thieves are being sought here. They cut the carpet from the floor of the Tabernacle church and made safely away with the swag.

Officer's Auto Taken From In Front Of Jail

SACRAMENTO—The crime wave continues. A bold thief stole a motor meter from the car of Detective Sergeant Ed Brown. The car was parked in front of the city jail.

HOUSES OF SPANISH TYPE ARE BUILT IN WOODLANDS

W. L. TWINING IS BUILDING FINE RESIDENCE; OTTO SCHNEIDER PLANS \$15,000 HOME

W. L. Twining of the F. P. Newport company, which is bringing many investors to the Verdugo Woodlands section of Glendale, is personally supervising the construction of a beautiful seven-room Spanish type residence at the corner of Canada boulevard and Hiawatha drive.

It is being built of hollow tile and plaster exterior with a tile roof. Day & Bannister of Los Angeles have the general contract and the Jewel City Electric company of Glendale is installing electric heating and lighting fixtures.

Besides the dining room overlooking the valley, there is a living room with dome ceiling, kitchen with built-in features, three sleeping rooms and one sleeping porch, each having a private tiled bath. Mr. Twining estimates that the completed home will cost him more than \$12,000.

Plans Home to Cost \$15,000
Otto Schneider, a restaurateur from Chicago, has bought adjoining property 225 by 185 feet amid the oaks and sycamores on Hiawatha drive. He plans the immediate construction of a \$15,000 home, according to Mr. Twining. Henry Kilean, also of Chicago, has purchased a 75-foot frontage adjoining the Schneider home site, where he will build at once.

F. H. Christman is having plans drawn for a house at the corner of Canada boulevard and El Rito avenue.

Hundreds Go Back To Use Of Stone

COTTONWOOD FALLS, Kan.—The stone industry of Chase county is coming back.

Twenty or thirty years ago the quarrying of limestone was one of the big industries here and in other parts of the county. Later, this stone, as a building material, was replaced to a large extent by cement. Now, according to some of the larger construction companies and builders, good building stone is staging a comeback, as the saying is, a better building material in many cases than cement, and another thing is the fact that cement has greatly increased in price.

The fine limestone of this county is found in almost unlimited quantities near the surface of the ground and all that needs to be done is to reopen the deserted quarries.

The first of these quarries to be opened here will be by Otto Pfeiffer of St. Joseph, Mo., a contractor and builder, who recently has closed a contract with P. J. Norton of this city for the lease of the Rettiger-Norton quarry just east of this city. A force of men will be put to work getting out stone just as soon as the necessary machinery arrives. Practically all of the stone will be shipped just as it comes from the quarry to the Pfeiffer stone yards in Chicago or St. Joseph, where it will be sawed and finished for building material.

First Aid Workers In National Board

HIBBING, Minn.—Plans to band the thousands of miners trained in first-aid and mine-rescue work by the bureau of mines into local safety chapters to form component units of a national parent organization were developed by the Joseph A. Holmes Safety association at a meeting of the association held in Washington, D. C., according to word received here.

This legion of expert savers of life and limb, the only organization of its kind in the world, will serve as a memorial to Dr. Joseph A. Holmes, first director of the bureau of mines, and popularized by the pulse-quickening slogan, "Safety first."

Hollanders To Buy Land In California

SACRAMENTO—George Stem, a successful Sutter Basin farmer, who has been touring abroad for four months, returned from Holland with the announcement that several Dutch families are to follow him and become settlers in Sutter Basin.

It was announced, some months ago, that Stem was going to his native land to interest people there in coming to California. While in Europe, Stem delivered lectures on California for a number of farmer gatherings. He carried a sample case of California products and a photograph album.

Three classes of Hollanders now desire to come to America, he said. Some of them have not enough money to come; others have plenty of money and are coming as tourists, and the third class are those who have enough money to come and plan on settling in America. Stem has arranged for three or four families of this type to follow him home.

A girl fourteen years of age was brought before a New York court as a truant from school. The girl proved that she was married and the court ruled that a housewife is not required to attend school regardless of her age.

Opium disguised as sausages was recently seized on a steamship at Brooklyn during a narcotic raid by internal revenue agents and police. The searchers were unrewarded until one of them cut open a frankfurter and discovered opium instead of ground meat.

The mystery of the missing balloon of the United States navy that landed near Moose Factory was cleared up when it became known that Ojibway Indians had divided the huge bag into ten sections from which they made several canoes and papoose carriers. The ropes are being used for dog harness.

Two thousand, five hundred and three oil wells were completed east of the Rocky mountains during January.

A majority of New York shipyards have granted a reduction of 12½ per cent in the cost of repairs to government vessels.

LIEUTENANT LAWSON RECEIVES INJURY AT HONOLULU

REPORT OF HURTS NOT YET MADE KNOWN TO PARENTS, NOW IN GLENDALE

and Mrs. John W. Lawson of Glendale were visiting friends in Honolulu yesterday. They have just received word of the injury to their son, Lieutenant Lawrence Lawson, who has been stationed with the army air station at Honolulu, and is now in the hospital there.

The communication notifying Mrs. Lawson of the injury of her son did not state how it was received nor the nature of the injury, but she believes that he received a broken breast bone or collar as it is necessary to feed him through a tube, according to the information she has received.

Mrs. Lawson is awaiting some concern additional facts regarding the injury received by her son, Lieutenant Lawson.

VALENCIA O R A N G E S H O W W I L L B E H E L D; I N V I T A T I O N I S S E N T T O C. O F C.

Secretary James M. Rhodes of the Glendale Chamber of Commerce has received a communication from the California Valencia Orange show which is to be held in Anaheim, May 17 to 21, inviting this city to reserve exhibitors' space at this time if it so desires.

The show is supported by the Associated Chambers of Commerce of Orange county and it is planned to make it an annual affair to better display the late Valencia fruit, very little of which can be exhibited at the National Orange show in San Bernardino which is held earlier in the year.

Canadians Take Up Land In New Mexico

SUNSHINE, N. M.—The tide of immigration from the United States to Canada, which was at its height ten years ago, when over 100,000 American farmers settled in Canada, has reversed itself. Canadians and expatriated Americans are migrating to the Sunshine valley of New Mexico, where millions of acres of state lands are open to settlement.

The vanguard of a large colony of Canadian Mennonite farmers arrived in Sunshine valley recently, where they will take up 20,000 acres of irrigable state lands.

Cotton exports last year exceeded those of any other commodity and were valued at \$1,136,408,916.

By RALPH H. TURNER
United Press Staff Correspondent
WASHINGTON—Does the American woman hold greater loyalty and love for the American man than the American man does for the American woman?

Why does the American woman, living in a land peopled by all the races, insist upon marrying the American man, whereas the American man is only half as eager to choose one of his own nationality for his life mate?

These questions are suggested by a report, made public here today, on conditions in Hawaii. But the cold, prosaic reports emanating from a government printing office don't attempt to answer such queries.

But still there's a touch of romance in this Hawaiian report, prepared by the Department of the Interior, for it shows strange conditions of life that prevail in the "Paradise of the Pacific"—the South Sea Island group where there is probably one of the greatest racial mixtures the world has ever seen, even though all these peoples live under the American flag.

Not Adjusted So Readily

Set down midway in the Pacific, with six days and 2,000 miles separating her from her nearest neighbor, the little Hawaiian group does not adjust itself so readily to the flow of human currents as her uncle on the mainland.

The outstanding feature of Hawaii's situation is the nature of her population. This population, totaling 263,666, is divided into four groups:

- Asiatics—Japanese, Chinese, Koreans and Filipinos.
- Polynesians—Hawaiians, Caucasian-Hawaiians and Asiatic-Hawaiians.
- Latins—Portuguese, Spaniards and Porto Ricans.
- Americans, British, Russians, Germans, etc.

Of this total population, 60.6 per cent is Oriental, the Japanese leading with 41.7 per cent of the population. The Americans, British and all the Teutonic and Slavic elements combined comprise only 11.8 per cent of the total inhabitants.

But the most interesting phase of the report is the summary which indicates to what extent these various racial groups fuse through intermarriage.

"If a rapid fusion is taking place in this manner," says the report, "the territory of Hawaii will be looked upon as being unique in this, namely, that a new race of people would be in process of creation. If, on the other hand, racial groups maintain group solidarity and manifest no 'chemical affinity,' then we shall doubtless witness a struggle in the future for supremacy."

Take Men of Own Nationality

Here it points out that in the period which the investigation covered, only half of the American men in the island married American women, but practically all of the American women married men of their own nationality.

In numerical order, American men married Americans, Portuguese, Caucasian-Hawaiians, Hawaiians, British, German, Chinese-Hawaiians and Porto Ricans.

Only thirteen American men and three American women married Asiatics; fifteen American men married Chinese-Hawaiians; and 223 American men married women of Hawaiian blood.

The 116 American women who did not wed American men married in order, British, Caucasian-Hawaiians, Germans, Hawaiians, Portuguese. The figures also show that:

Germans Prefer Americans

Most Germans married others than Germans, preferring Americans.

Most Spanish men married Spanish women, although Spanish women married freely outside their nationality—a condition opposite from that prevailing among the Americans.

In general, Japanese marry only Japanese, showing more racial allegiance than any other race in the islands.

The Korean women, without exception, married Korean men. The women of no other race in Hawaii had a like record for loyalty to their own men. Most Hawaiian men marry Hawaiians, but the native women marry freely outside their own race.

The conclusion is that "all the races except the Korean and Japanese are fusing rapidly through intermarriage, but the Japanese group is maintaining its racial distinctiveness."

In Sweden a central arbitration board has been created consisting of seven persons—three appointed by the government, two by the council of the employers' association and two by the Workmen's national council. Its object is to render it easier for employers and workmen to have collective agreements interpreted, thus obviating recourse to strikes and lockouts. Decision of the board is final.

I D L E F O L K M E N A C E I N G R E A T E R L O Y A L T Y, R E C O R D S H O W S

W H E N L I V I N G I N P L A C E O F M A N Y P E O P L E S, S E L E C T S O N E O F O W N R A C E

By AUSTIN WEST
United Press Staff Correspondent
LONDON—According to figures issued by the Ministry of Labor today there are 1,143,300 registered unemployed in Britain—and they are still climbing.

The unemployed barometer has taken several big jumps during the last few months. At the middle of October the number of men and women registered at the Employment Exchange was 350,000; by the middle of November it was 473,000; by the middle of December 582,000; by the middle of January 842,000, and now they are well over the million mark.

These figures do not take into account the thousands of unemployed who have not registered at the government bureau. If these were included, it is estimated that the number would be swelled to a million and a quarter. Nor are they inclusive of the people working on systematic short time, estimated at 600,000. The latter are chiefly made up of cotton operatives and government employees at dockyards, etc.

Believe Peak Is Reached

Optimistic officials of the Ministry of Labor believe the peak has been reached, but the Labor members of Parliament lean to the belief that the situation will be decidedly worse before the turn is reached. Realizing this the government is grappling with the problem with the primary object of stemming the tide.

So far the government has been chiefly concerned in efforts to absorb tens of thousands of ex-service men into the industrial fabric by propaganda and appeals to employers. The unexpected avalanche of unemployment of all classes, however, has made it imperative to create state-aided schemes. These were explained by the Minister of Labor, Dr. Macnamara.

According to Macnamara, at least 70,000 men have been found employment on public works. The expenditures authorized for these schemes is practically \$100,000,000.

Huge Donations Made

In addition to that, and in the direction of mitigating hardship, an amendment to the Unemployment Insurance Act has added 8,000,000 to the 4,000,000 persons insured.

J. R. BUTLER'S HOME IS PURCHASED BY CHARLES WEED

NEW OWNER RETURNS TO U. S. FROM CHINA; IMPROVEMENTS IN VERDUGO WOODLANDS

J. R. Butler of Del Valle avenue, Verdugo Woodlands, has sold his home to Charles J. Weed, who recently returned to the United States from China. The consideration was \$8950, and Mr. and Mrs. Weed and child already have occupied the place.

Mr. and Mrs. Butler temporarily are living in Los Angeles until the new six-room all brick home being built on Del Valle avenue can be completed at an estimated cost of \$5000. Mr. Butler has two other lots in the tract on which he will build.

A patio and loggia and roof garden are being built into the beautiful home of F. R. Boynton at Colina drive and Canada boulevard in Verdugo Woodlands. It will be one of the most pretentious residences in the foothill section.

Further extension of the out-of-work donation to ex-service men has been granted, involving an additional expenditure of \$25,000,000, making in all, since the armistice, \$200,000,000 to ex-service men, and \$110,000,000 out-of-work donation for civilians during the first year after the armistice.

One of the chief bones of contention between the government and the trades unions is the persistent refusal of the builders to permit dilution of skilled labor by employment of unskilled ex-service men. There is not an unemployed bricklayer in the country and work could immediately be found for 100,000 men, resulting in employment being provided for painters, plumbers, laborers, etc. In the face of these facts the 50,000 ex-service men are forced to remain idle.

The tendency here for some time has been to regard every trade as a close preserve and in a restricted market to force up wages by means of strikes. Last year alone 27,000,000 days of work were lost owing to strikes.

The Labor Party so far has failed to suggest a cure for unemployment. Leader Clynes of the party declares it is up to the government to devise means for maintenance or work, and that some steps should be taken to restore international trade.

Attractive to the Small Investor

A definite earning of better than 7 per cent on the amount invested, with a degree of security that is beyond all question, makes the Preferred stock of the Los Angeles Gas and Electric Corporation an unusually attractive investment for the small investor.

The surplus of this Corporation for payment of dividends for the year ended December 31st, 1920, was \$1,045,923.00. This surplus should be greatly increased with the enlarged operation made possible by the sale of this Preferred Stock.

Even the present operating surplus is, however, many times in excess of the amount necessary to pay the stipulated interest on the full issue of Preferred Stock.

The security may be regarded as sound as the very life of Los Angeles itself, for the Los Angeles Gas and Electric Corporation has been practically an integral part of Los Angeles for more than 50 years.

You can buy this Preferred Stock at \$85.00 per share. Its par value is \$100.00 per share. Dividends are payable quarterly and are cumulative and not subject to normal Federal income tax. The stock is free of taxes in California and enjoys priority over the Common Stock both as to assets and dividends.

Being non-callable it may be promptly converted into cash by the holder.

It is very unusual for the small investor to be given the opportunity to secure Preferred Stock which carries such a large and definite earning capacity, and which is rendered secure by such a wide margin of safety.

Government Seeking \$2.47 In Court Suit

VIRGINIA, Minn.—Uncle Sam wants \$2.47 from W. H. Eaton, local man, for hay furnished livestock shipped by the Virginian over the Missabe railroad to St. Paul, as evidenced by a case for that amount being tried before Judge Graham in municipal court, John Barton Payne, as director of railroads, being plaintiff.

Told In Dream To Write; Awarded Prize

HUNTINGTON, Va.—Mrs. Mattie Estep was told in a dream to write songs. She did so. Two of them were accepted and published in New York.

According to estimates approximately 200,000,000 feet of lumber will be cut on Crown lands in New Brunswick during the present year.

Woman Wins Seat In Australia Parliament

PERTH, Australia—Mrs. Cowan, candidate in the state elections, has defeated the attorney general for his seat in parliament. She is the first woman to be elected to membership in the Australian parliament.

Seven hundred Chinese have sailed from Hawaii to work on Cuban sugar plantations.

LOCAL FOLK VISIT VATICAN STRENGTH LAKE FORMED AT DEVIL'S GATE MAKES INCREASE IN DIPLOMACY

LARGE QUANTITY OF WATER IS BEING IMPOUNDED AS RESULT OF RECENT RAINS

Many Glendale people are taking advantage of the pleasant weather to visit Devil's Gate dam and inspect the new "lake" which was impounded by the dam during the recent heavy rain storms.

Those who have visited the site say that the lake, with the water level at forty-seven feet, about half the height on the dam up to the spillway, is very impressive. Many of the live oaks and other trees on the west bank are under water with only the tops of the trees showing, while here and there floats a bench or table from the picnic park on the city property.

Water Is Backed Up
Because the reservoir basin back of the dam widens so rapidly the amount of water impounded by the dam when half the height is submerged is very much less than half the amount of water the dam would impound before the water reached the spillway. There is now about 600 or 700 acre-feet of water back of the dam, while with the water pouring over the spillway to a depth of ten feet, there would be about 4500 acre-feet impounded.

The water has backed up almost to the old Michigan avenue crossing and the old iron bridge at Devil's Gate clears the water by but a few feet.

Fur men state prices obtained during the first few days the auction has been in progress in St. Louis have shown a general increase of about 25 per cent over those prevailing at the sales last month. They believe improved trade conditions have caused the upward trend.

RELATIONS ARE EXTENDED AS WAR'S AFTERMATH; MANY COUNTRIES CREDITED

By HENRY WOOD
United Press Staff Correspondent

ROME—With the certain resumption in the very near future of diplomatic relations between France and the Vatican and with a movement under way for the establishment of such relations between the United States and the Holy See, the diplomatic position of the latter will be greatly enhanced.

The Vatican, already as a result of the war, has gained a diplomatic representation never before attained in the history of the church. During the past year five new countries accredited ministers to the Vatican whilst the ambassador to the Vatican established early in the war by Great Britain as a temporary war measure was made permanent.

Many Maintain Relations
The five new countries to exchange diplomatic representatives with the Vatican are Czechoslovakia, Poland, Switzerland, Roumania and Yugoslavia. In addition the legations of Peru, Chili, Brazil and Prussia were raised to the rank of embassies. The representative from Prussia has the title of German Ambassador to the Vatican.

A total of thirty-one countries now maintain official diplomatic relations with the Vatican, five with the rank of ambassadors and twenty-six with the rank of ministers. To this number it is expected here both France and the United States will be added, the former with the rank of an ambassador and the latter presumably with a minister.

As a consequence the Vatican is today in diplomatic relations not only with all of the great Catholic countries of the world and most of the Protestant nations, but it has succeeded in entering into semi-official relations with several of the great nations with other religions, such as Turkey, Japan and China.

For Peaceful Adjustment
Diplomatically therefore the Holy See has attained a representation never before reached in the history of the church. The increased prestige and strength that has thus come to the Vatican largely as a result of the war will be used, as Pope Benedict has already made known, in every possible way to bring about a peaceful post-war adjustment throughout the world.

The five countries which now have diplomatic representatives at the Vatican with the rank of ambassador are Peru, Chili, Prussia, Brazil and Spain. The other countries represented with ministers are Argentina, Austria, Bavaria, Belgium, Bolivia, Colombia, Costa-Rica, Czechoslovakia, Ecuador, Germany, Great Britain, Haiti, Honduras, Monaco, Nicaragua, Holland, Paraguay, Poland, Portugal, Roumania, Russia, San Domingo, San Salvador, Yugoslavia, Hungary, Uruguay and Venezuela.

Exist All Winter In Tents And Are Happy

WILLIAMSON, W. Va.—Tent towns of striking miners, nestling in the hollows of the Cumberland mountains here, have survived their first winter.

The little colonies of white tops spring up over night in Mingo county coal fields when mine operators, delivering a smashing blow at the union's organization efforts, evicted families from company-owned homes last April and May.

Strikers' camps now dot the valley along the Tug river. There are five tent communities, having between forty-five and 100 families, aside from scattered canvas homes. Organizers of the United Mine Workers of America estimate 3000 men and their families lived through the year in these improvised shelters.

Deaths, diseases and other hardships have been lighter on the miners in the Mingo field during the last year than usual, according to Martin Justice, a leader in the Lick creek colony.

"We've found the tents much healthier and better in many ways than the company houses," Justice said. "Many men figure to continue living this way with their families, even when the trouble is over." This winter has been particularly mild for West Virginia, though, he added.

Ways of introducing many modern comforts into the rude homes have been found during the winter. Wooden floorings, carpeted over in some tents, have been provided. Glowing coal stoves have maintained sufficient heat for health and comfort. Some tents are equipped with phonographs and similar means of entertainment.

The strikers receive a weekly allotment from the union, sufficient for necessities. Union headquarters distribute \$30.00 weekly, an average of \$10 a family, to strikers in this county.

The Nebraska college of agriculture has produced a grading system to enable producers in the state to obtain better prices.

Better Home Furnishings

Nearly every woman has dreams of a better home and better home furnishings. She looks forward to the time when she can replace those inharmonious pieces of furniture—when she can refurnish her living room, her dining room or bedrooms along lines of greater harmony and beauty; when she can add new rugs that will carry out some scheme of color. She knows just what she wants but she waits until sometime when the family purse will be heavier.

This is the Time Mrs. Homemaker

You will find the furniture you have dreamed of on our floors and it is priced so reasonably that you will decide not to wait any longer, especially if you take into consideration the fact that harmonious furnishings add so much pleasure to the entire family and particularly to the woman who spends so much time in the home.

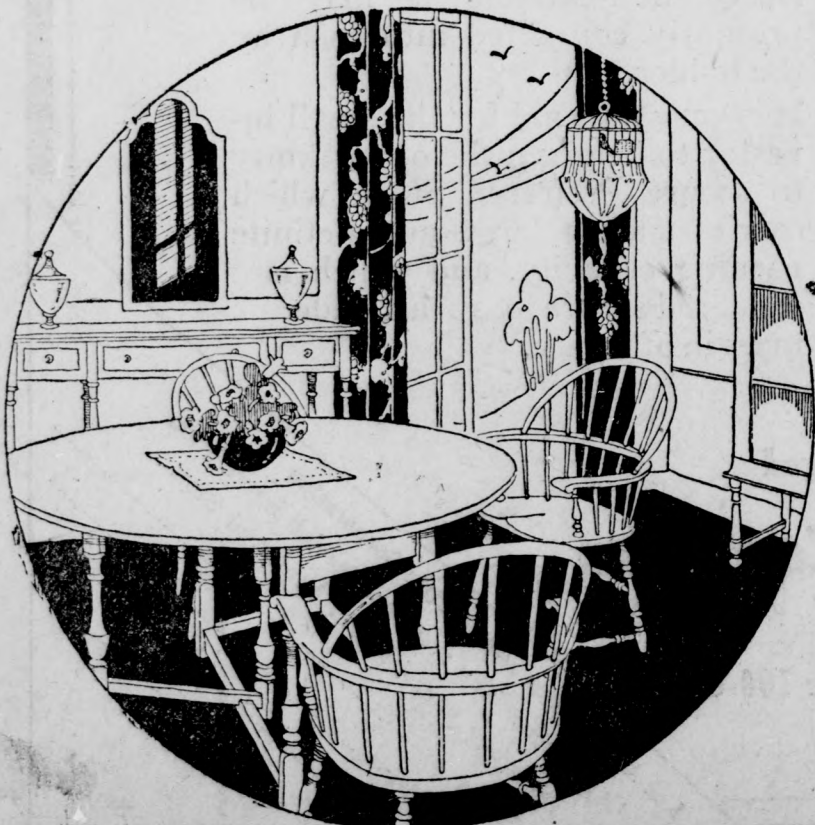

The same service here if you come to buy a single piece of furniture or entirely refurnish your home
